

IDENTITY VERIFICATION FOR COMPANIES HOUSE - VERIFY NOW WITH DIXCART UK

How to verify your Identity and obtain your unique identity number with Dixcart International Limited as your Authorised Corporate Service Provider

WHAT DIXCART WILL DO

We will notify you by email that you are required to verify your identity with Companies House

We will review the information provided and issue you with a secure Identity verification link

We will verify your identity with Companies House on your behalf

We will maintain a secure record of the mandatory information required to be kept according to regulation

WHAT WE NEED FROM YOU

Fill in the online form sent to you and sign the acknowledgement

You will need to take a photograph of yourself and upload your photo ID

You will need to let us know the Unique Identify number received via email

TOP TIPS FOR UPLOADING YOUR ID:

The technology works best when you take a picture of your photo ID from directly above to reduce shadows. We recommend the ID document is placed on a well-lit, dark coloured surface, away from direct light which could cause glare. Make sure all four sides of the document are visible.
