INTRODUCTION

Dixcart UK is part of the Dixcart Group, which provides a range of professional services to support global citizens and their businesses. We first started operations in Esher, before moving to Dixcart House in Surrey in 2017, as the office grew and more space was required.

Dixcart House is home to our professionals but also offers serviced office capacity. Our Business Centre has 8 high quality, fully furnished offices of varying sizes. Our Dixcart professionals are located in the same building and have provided a full range of accounting, tax, expertise to our tenants, if needed.

Dixcart House is a fantastic setting for those seeking to avoid a commute to London and for companies wishing to set up a local business or to start operating in the UK.

The Business Centres offers a flexible and safe office environment with 24 hour access available for serviced office tenants. The reception area is staffed during normal business hours to meet visitors, co-ordinate meeting room bookings and provide secretarial services if needed.

The offices are furnished to a high-quality, with capacity between 2 and 6 desk offices. Meeting rooms are also available and all appropriate social distancing measures are in place.

OUR SPACE

The UK Dixcart Business Centre offers 8 high quality, fully furnished offices of varying sizes, with a shared reception area, dedicated kitchen facilities and allocated on-site parking.

Dixcart House offers a flexible and safe office environment with 24 hour access for serviced office tenants. The reception area is staffed between 09.00 and 17.30, to meet visitors, co-ordinate meeting room bookings and provide secretarial services, if needed.

There are 6 meeting rooms and a large boardroom. The space can be divided into smaller meeting rooms or a seminar space, if required.

Appropriate social distancing measures are also in place.

Our meeting rooms are available for hire, per hour or for the day.

We have 1 large boardroom, 3 medium-sized meeting rooms and 3 small meeting rooms. IT equipment and technical support can be provided if required, and our secretarial support can arrange any special requirements or catering services, if requested in advance.

...

At Dixcart UK, we specialise in helping individuals, families, and businesses navigate complex accounting, tax and business matters with clarity and confidence.

Drawing on decades of experience, we provide tailored accounting and audit services, strategic tax planning, private client and immigration services, alongside comprehensive business support.

...

DIXCART HOUSE PROFESSIONALS

Our combined expertise in the fields of accountancy, tax, and immigration means that we bring everyone you need together to uncover new opportunities and resolve complex issues.

Accountancy

We provide our clients with so much more than just accountancy, audit and VAT compliance services. We will act as your year round business advisor, assisting in the day to day running of your businesses whether it be monthly payroll reporting, advice around employee benefits or the maintenance of Companies House records and filings. We will work with you at every stage of your business life cycle.

Immigration

As businesses strive to become more competitive, we know there is a need to attract and retain international talent. We can assist with all types of UK immigration applications and recruitment and can help individuals and their families apply for a UK visa and how to become a British citizen.

Tax

We provide both compliance and complex tax advisory services. We help internationally mobile individuals with their tax planning, we work with families on inheritance tax and property ownership matters, and we help individuals make investments through HMRCs EIS and SEIS schemes. We assist business owners and Finance Directors with their business, including advice on attracting investment using HMRCs Research and Development tax credits, and retaining key employees using share schemes.
